Cheyenne Kimball, Hanging On (Theme from ?Cl

I've had a bad day

And nothing ever seems to go my way

I've got a heartache

Don't wanna think about it

And every time I try to smile, I cry

So, I'll just hide my face

Get out of my way

Don't wanna talk about it

And I'll be fine

I just need some time

I'm hanging on today

And nothing's gonna stop me anyway

I'm holding on, I'm strong

I'm the only one who can make it change

I don't want advice

I've gotta live my life

I'm gonna make it alright

I'm hanging on

And nothing's gonna stop me anyway

I went the wrong way

But I'm not lost, it's a good mistake

I saw the day break

I'm gonna shout about it

Oh, and every time I turn around

I find that, I'm alone again

I've had a bad day

I'm gonna laugh about it

And I'll be fine

I'm gonna be alright

I'm hanging on today

(Today, yeah)

And nothing's gonna stop me anyway

I'm holding on, I'm strong

(I'm strong)

I'm the only one who can make it change

I don't wanna cry

Gotta live my life

I'm gonna make it alright

I'm hanging on

And nothing's gonna stop me

Nothing's gonna stop me

When I get lonely

And feel like I'm floating

Nothing is real

I'm above it all

I'm above it

I'm above it all

I'm hanging on today

And nothing's gonna stop me anyway

I'm holding on, I'm strong

I'm the only one who can make it change

I'm hanging on today

And nothing's gonna stop me anyway

I'm holding on, I'm strong

I'm the only one who can make it change

I don't wanna cry

Gotta live my life

I'm gonna make it alright

I'm hanging on

And nothing's gonna stop me anyway

I've had a bad day
