

Chiodos, Ravishing Matt Ruth

This melody never seemed quite right
Nothing you could ever sing along to eerie rhythms
Creeping through doors
If I close my eyes you won't ever see me count to ten
You will never see me
You won't ever see me
Hide in sanction
I'll show you how
I bury myself tonight
This fear runs through my veins
Run
Run as fast as you can
Never look behind
Never turn around
Run
Run till I find who I am
Never look behind
Never turn around as I fall facedown
I was young and now I still remember
I still remember everything
And everything and all the pain you caused
I'm living in this misery
Resisting evil thoughts
This is what's been haunting me
Beaten tossed around blatantly
I scream out loud
I can't scream any louder
