

# Chk Chk Chk !!! , Heart Of Hearts

Her face, her face didnt change the whole damn time  
when suddenly suddenly she left the room crying  
turned her cards, turned her cards over they were shocked 2 find  
one card, none of them had ever seen dealt  
was a heart of hearts  
staring, staring out the window like somethings missing  
talking, talking 2 himself but not even he is listening  
read the letter, read the letter over he was shocked to find  
dear u, the heart is nothing but, nothing but a shell  
4 your heart of hearts  
talking bout real love baby  
it's such a precious thing  
it's got 2 be true love baby  
it's such a precious thing  
it's got 2 be true love baby  
it's such a precious things  
cuz we're all just fumbling baby  
fumbling in the dark  
4 a heart of hearts
