

# Chris Brown, Dreamer

What do I do  
Stop  
Go  
Fail  
Succeed  
Live  
Or Die  
I just got to believe

Believe... it's worth saving  
And to get lost  
Lost in a day dream  
So why hesitate  
Take me to another place  
So far far away  
So I can get out of the dark  
High speed  
Like I'm racing  
Just like lighting  
The sky is blazing  
But you've lost your way  
You've been lead astray  
Are there better days  
For My Fallen Dreamer

Calling The Dreamer  
Ahh Ahh Ahh Ahh A dreamer  
Calling The Dreamer  
Ahh Ahh Ahh Ahh A dreamer  
A Dreamer Ahh Ahh Ahh Ahh A dreamer  
You don't believe no more (you don't even sleep no more)  
Dream no more  
(you don't even dream no more)  
Dreamer, Dreamer  
Why Don't you Just Dream Again

Believe  
In You  
You got something to prove  
You're a star  
Watch you shine bright  
On your way to the lime light  
Finish Line  
The sweat and tears  
You can channel all of your fears  
Open your eyes  
Your eyes  
And it will be alright

Calling The Dreamer  
Ahh Ahh Ahh Ahh A dreamer  
Calling The Dreamer  
Ahh Ahh Ahh Ahh A dreamer  
A Dreamer Ahh Ahh Ahh Ahh A dreamer  
You don't believe no more (you don't even sleep no more)  
Dream no more  
(you don't even dream no more)  
Dreamer, Dreamer  
Why Don't you Just Dream Again
