

# Chris Brown, Fallin' Down

Sometimes I don't wanna wake up alone  
But sometimes I wanna wake up and be on my own  
Sometimes I don't wanna walk by your smile  
But at the same time I don't wanna let people down  
Can you imagine the weight of a world  
Placed on your shoulders, trapped in this world?  
And no one can reach you, wooh  
So no one can help you now  
It's getting heavy, I think I'm 'bout ready to break down  
I'm standing up but I'm fallin' down  
Time keeps on tickin' I wish there was a way to slow it down  
Someone pick me up 'cause I'm fallin' down  
Fallin' down, down, down, down  
Down, down, down, down  
Fallin' down, down, down, down  
Down, down, down  
Why is it so easy for you to blame?  
I'm only human we're all the same  
I've given up everything in exchange for being alone  
I'm shaking these demons underneath all the pride, oh  
Can you imagine weight of a world  
Placed on your shoulders, trapped in this world?  
And no one can reach you, wooh  
So no one can help you now  
It's getting heavy, I think I'm 'bout ready to break down  
I'm standin' up but I'm fallin' down  
Time keeps on tickin' I wish there was a way to slow it down  
Someone pick me up 'cause I'm fallin' down  
Fallin' down, down, down, down  
Down, down, down, down  
Fallin' down, down, down, down  
Down, down, down  
Fallin' down, down, down, down  
Down, down, down, down  
Fallin' down, down, down, down  
Down, down, down  
It's getting heavy, I think I'm 'bout ready to break down  
I'm standin' up but I'm fallin' down  
Time keeps on tickin' I wish there was a way to slow it down  
Someone pick me up 'cause I'm fallin' down  
It's gettin' heavy, I think I'm bout ready to break down  
I'm standin' up but I'm fallin' down  
Time keeps on tickin' I wish there was a way to slow it down  
Someone pick me up 'cause I'm fallin' down  
Fallin' down, down, down, down  
Down, down, down, down  
Fallin' down, down, down, down  
Down, down, down  
Fallin' down, down, down, down  
Down, down, down, down  
Fallin' down, down, down, down  
Down, down, down  
Fallin' down, down, down, down  
Down, down, down
