

Chris Brown, Fine China

Auuu, how!
Auuu!

Baby does he do it for you?
When he's finished, does he step back, and adore you
I just gotta know, cause your time is money
And I wont let him waste it, ooh no no
Baby, just go with it
Cause you're with me, I can't explain it, it's just different
We can take it slow or act like you're my girl let's skip the basics, oh woah

He's so replaceable
You're worth it, chase ya, put it on

It's alright, I'm not dangerous
When you're mine, I'll be generous
You're irreplaceable
A collectible, just like fine china

Baby, you're my favorite
It's like all the girls around me dont have faces
And I stay in ghost
Like this gentle game, I done now playing

He's so replaceable
You're worth it, chase ya, put it on

It's alright, I'm not dangerous
When you're mine, I'll be generous
You're irreplaceable
A collectible, just like fine china

It's alright, I'm not dangerous
When you're mine, I'll be generous
You're irreplaceable
A collectible, just like fine china

Give me a weapon, your love
Ain't no a man of time, in this world
Save me a lot of time, and just love me
Deal it baby, deal it in your soul
Are you ready?
I know your heart being played, and you you belong with me

It's alright, I'm not dangerous
When you're mine, I'll be generous
You're irreplaceable
A collectible, just like fine china
