

Chris Brown, Gimmie What Ya Got

her body looks smooth
by the way that she walkin
got me look just like a sin
i was mesmerized when she walked by
know what im gon do
cause i gotta keep my cool
and i aint that type of guy
that steps up to every girl that catches my eye

belly shirt
pierced navel
and them heels
from your walk
and your gestures
whats the deal

so baby come over here
whats ya name
girl tell me everything you like
lil mama dont have no fear
dont be scared
cause you know i aint gonna bite
baby its ok
if you wanna rock
lil mama show me what you got
and i wanna say hey
cause im feelin you
baby can you make your body move
and i gotta say oh bay-bay
girl i wanna get to know ya
wanna run up on ya
oh bay-bay
you got me fired up girl i wanna say yay

Oh
you can call me sometimes
we can get up
you and me
let me tell you what im gonna do to make you mine
im gonna get it started
right on time
dont need no corny pick up line
imma whisper in ya ear
and tell you everything that you wanna hear

Outspoken
got me open
give me chills
had a little conversation
im contemplatin
how she feels

so baby come over here
whats ya name
girl tell me everything you like
lil mama dont have no fear
dont be scared
cause you know i aint gonna bite
baby its ok
if you wanna rock
lil mama show me what you got
and i wanna say hey

cause im feelin you
baby can you make your body move
and i gotta say oh bay-bay
girl i wanna get to know ya
wanna run up on ya
oh bay-bay
you got me fired up girl i wanna say yay

i think i done got caught up with a bad girl
oh yous a bad girl
oh yous a bad girl
i think i done got shook up with a bad girl
oh yous a bad girl
oh yous a bad girl

belly shirt
pierced navel
and them heels
