

Chris Brown, Gone Get It

Professionals come on....deputy on the track..(wheew..chris brown)

(Verse 1) Thick thighs tight booty damn girl you a beast,
you like prolly need a dose cause I need the release, hypnotic thats right what you doin to me, som
...she recognize my game she dig that im young and i run it, run it and i aint leavin less you leavin

Chorus

you gone get it, get it, you gone get it girl (2x)
I see that look in your eyes i see that lickin your lips and i can tell what's goin down how you shakin

Verse 2

See now what you doin to me got that robot type of movement as you move to the beat, stop frontin
