Chris Brown

Miscellaneous

goodbye

Baby come in sit down lets talk

I got alot to say so I guess I'll start by

Saying that I love you but you know this thing ain't been no walk in the park for us

Swear it'll only take a minute you'll understand when I finished yeah

And I don't to see you cry

and I don't want to tell you a lie so

(Hook)

How do you let it go when you just don't know what's on the other side of the door when you walking

(Chorus)

Cause there's never a right time to say goodbye cause I got to make the first move cause if I don't
