

# Chris Brown, Greatness

You see what im sittin on  
You should be sitting on Ds  
Right in front of the club  
Shawty what you sippin' on  
You see me gettin' grown  
So baby just show me some love

[T-Pain]

Yeah I want a girl like you  
I can tell that youre looking for a dude like me  
When you smell what I'm cookin'  
Let me know if you wanna ride

[Chris Brown]

Cause I aint got nobody on my passenger side

Baby I'm just hitting on ya  
I wanna get to know ya  
I dont wanna waste your time  
And I'mma keep it real with ya  
I wanna deal with ya  
Even if its for one night

[T-Pain]

Baby I want a girl like you  
I can tell that youre looking for a dude like me  
When you smell what I'm cookin'

[Chris Brown]

I came to have some fun  
I'll be on the dancefloor whenever you done

[T-Pain]

Shawty you the one

[Chorus]

I got to get ya  
Got to get with ya  
I can do this [for a month or two girl]  
I got the plan  
The beach with the sand  
And you got the man [right in front of you girl]  
And you movin' to the left, movin' to the right  
You make me say wooh-oh [4x]

[Tpain]

Now Shake ya body  
Shake it[6x]  
Shake ya body  
Shake it [5x]  
STOP!  
Uh Oh  
Keep goin!  
Shake ya body  
Shake it[6x]  
Shake ya body

[T-Pain]

That we can hit the door  
Right into the Masserati  
I know you are superfine  
You got dem superthighs

I'mma need a SUV

[Chris Brown]

Girl I got my city on lock  
If you're messin' with me  
You gon' end up at top  
And it wont stop  
Baby tell me what you wanna see

[T-Pain]

Cause you aint never met a dude as freaky as me  
Girl I see dem hatin' on ya  
Just keep on skatin' on 'em  
Now and later gaters on your feet  
I got what you waiting for  
Girl I'mma take you home and let you go crazy on me

[Chris Brown]

Girl I got my city on lock  
If you're messin' with me  
You gon' end up on top

I'll be outside in the car when you done

[Chris Brown]
