

# Chris Brown, Help Me

You look, so good  
I can't, believe it  
I'm out (my), my mind (mind)  
I shouldn't be but (oh)  
Women like you steal my control  
Scene of the crime  
My spot is next door  
Come on (girl)  
Girl don't (girl don't) be scared (be scared)  
Now baby

[Chorus:]  
Help me, help me, help me  
I want you to help me help me help me  
I can't stop myself  
You have been lovely  
I wanna have you screaming  
Love you roughly  
I need a little bit of help  
Keep raising the body count  
When ever I take em out  
I end up taking em down  
Can you help me, help me, help me?  
Shoot me or something  
Help me, help me, help me  
Do me or something  
I need help

We're here, (so) alone (good)  
I got, a problem  
I'm out (my) my mind (mind)  
Over your body  
(Shouldn't be but oh)  
Women like you steal my control  
Scene of the crime  
My spot is next door  
Come on girl (girl)  
Girl don't (girl don't) be scared (be scared) now baby
