

Chris Brown, I'll Go

There's a star in the palm of my hand
And I think it shows
You don't want me then I'll understand
You deserve much more
When I brought it down from the sky
You almost forgot it
It was new back when you gave a damn
What you need I'll go and get it
But if I don't come back, girl your love was worth it
That's the one thing I know
And if I don't make it back, girl remember that
That I said I'd go, baby
Girl your love is so hard but it takes me so far
But I don't care I'll go, no
If I don't make it home at least now you know
Girl for you I'll go
Got my heart in the palm of your hand
Now you're good, that's yours
If you don't want it I won't understand
'Cause I came so far
When you tossed it
Took forever to find the place where you lost it
Now you're gone with my heart out the door
Oh, it's here girl don't forget it
But if you don't come back, girl this love was worth it
That's the one thing I know
If you don't make it back, girl remember that
That I said I'll go for you
Girl your love is so hard but it takes me so far
But I don't care, I'll go, no
If I don't make it home but at least now you know
I'll go, go
