

# Chris Brown, I'll Go

There's a star in the palm of my hand  
And I think it shows  
You don't want me then I'll understand  
You deserve much more  
When I brought it down from the sky  
You almost forgot it  
It was new back when you gave a damn  
What you need I'll go and get it  
But if I don't come back, girl your love was worth it  
That's the one thing I know  
And if I don't make it back, girl remember that  
That I said I'd go, baby  
Girl your love is so hard but it takes me so far  
But I don't care I'll go, no  
If I don't make it home at least now you know  
Girl for you I'll go  
Got my heart in the palm of your hand  
Now you're good, that's yours  
If you don't want it I won't understand  
'Cause I came so far  
When you tossed it  
Took forever to find the place where you lost it  
Now you're gone with my heart out the door  
Oh, it's here girl don't forget it  
But if you don't come back, girl this love was worth it  
That's the one thing I know  
If you don't make it back, girl remember that  
That I said I'll go for you  
Girl your love is so hard but it takes me so far  
But I don't care, I'll go, no  
If I don't make it home but at least now you know  
I'll go, go
