

Chris Brown, I Love U

I don't know what is it but
I love you, I love you, I love you
I don't know what you do but
I love you, oh baby
Baby, I don't know what it is but you drive me crazy
And every time I'm around you, girl, it feels amazin'
And I'm on my best behavior when I'm with my baby
'Cause I can't lose my baby, oh
I done met a lot of girls in my life
But they not like you, no
I done been with the best thing
Baby, you're the best of the best
You're the greatest, oh, ho, ho
I don't know what is it but
I love you, I love you, I love you
I don't know what you do but
I love you, I love you, I love you
I don't know what is it but
I love you, I love you, I love you
I don't know what you do but
I love you, oh baby
Lately, when you're gone all I do is think about my baby
I'm so gone off your lovin' I don't know why
Maybe it's the way you love me, hold me, kiss me
'Cause, baby, I
I done met a lot of girls in my life
But they not like you, no
I done been with the best thing
Baby, you're the best of the best
You're the greatest, oh, ho, ho
I don't know what is it but
I love you, I love you, I love you
I don't know what you do but
I love you, I love you, I love you
I don't know what is it but
I love you, I love you, I love you
I don't know what you do but
I love you, oh baby
Whatever it is, I'm satisfied
I don't want you to ever change
'Cause, baby, you got me and that's no lie
I'ma stay right here with my baby
And I don't know why
I don't know what is it but
I love you, I love you, I love you
I don't know what you do but
I love you, I love you, I love you
I don't know what is it but
I love you, I love you, I love you
I don't know what you do but
I love you, ohh, baby
