

# Chris Brown, I Need This

Stop, where am I?  
Shock, I can't cry  
Pop, I need some space  
No, this isn't me  
Go, please let me breathe  
I'll be back sooner than you know  
I need this space  
Just like you need it  
I need this time  
Time to clear up my mind  
Wait, did you hear that?  
Hear my heart beat  
I need this feeling  
Whoa yeah, I really need this  
Well, I've been blind  
I hope I'll be fine  
Don't call me back, no  
Yes, I see light  
Now, it's so bright  
Call my name, I'll be there soon  
I need this space  
Just like you need it  
I need this time  
Time to clear up my mind  
Wait, did you hear that?  
Hear my heart beat  
I need this feeling  
Wait, did you hear that?  
Hear my heart beat  
I need this feeling  
Whoa yeah, I really need this  
I need this, I need this  
Really need, whoa  
You know it's not personal  
Sorry if I'm hurting you  
Please don't give up on me now  
I needed this time alone  
To know I could come back home  
To breathe, breathe, breathe  
I need this space  
Just like you need it  
I need this time  
Time to clear up my mind  
Wait, did you hear that?  
Hear my heart beat  
I need this feeling  
Wait, did you hear that?  
Hear my heart beat  
I need this feeling  
I really need this  
I need this, I need this  
Whoa, whoa, yeah, oh  
I really need  
Whoa, whoa, hey, hey, I need  
Really, really need  
I need, I need this, need this, need this  
I really need this
