

Chris Brown, Lucky Me

Lights on, stage set
I guess I gotta put on a show in 'cause everyone's waiting
Females fly jets
When I turn the radio on I hear all my songs play
Whatever money can buy I probably got it
That's real talk, yeah
I see my name in the sky all over the world
And I just sit hear saying
Lucky me, I gotta pose for the cameras
Even when my world's falling down I still wear a smile
Lucky me, even though I'm so damaged
Gotta pick myself up and perform for the crowd
Lucky me
Quitting on my loved ones, wannabe stars
(Lucky me)
'Cause nobody said it would be so hard
(Lucky me)
Wouldn't put this on no one else, else
(Lucky me)
So exclusive, I don't have to wait in the line
It's like the club is mine now
If it was only that simple then what I'm saying is easy to do
And we know that's not true
Whatever money can buy I probably got it
That's real talk, yeah
I see my name in the sky all over the world
And I just sit hear saying

Lucky me, I gotta pose for the cameras
Even when my world's falling down I still wear a smile
Lucky me, even though I'm so damaged
Gotta pick myself up and perform for the crowd
Lucky me
Quitting on my loved ones, wannabe stars
(Lucky me)
'Cause nobody said it would be so hard
(Lucky me)
Wouldn't put this on no one else, else
(Lucky me)
My dream and it's my heart, the life of being a star
You don't even know how hard it is, do you, yeah?
Now I'm thankful for everything and I'm finally becoming a man
Now I gotta bigger a show to do
Lucky me, I gotta pose for the cameras
Even when my world's falling down I still wear a smile
Lucky me, even though I'm so damaged
Gotta pick myself up and perform for the crowd
Lucky me
Quitting on my loved ones, wannabe stars
(Lucky me)
'Cause nobody said it would be so hard
(Lucky me)
I wouldn't miss this for no one else, else
(Lucky me)
