

Chris Brown, Make Up Your Mind

Yeah

Are you done playin' games? I'm not into that (Not into that)
'Cause even in my dreams, I see your silhouette (Woah)
Yeah, I know you a rookie, baby, I'm a vet (Vet)
You get so upset, you ain't leave me yet

Oh, oh-oh, oh-oh
You say you hate me, but you fuck me the same day (Oh-oh)
Oh, oh-oh, oh-oh
You say you hate me, but you love when I'm inside

Just make up your mind, mind, mind, mind, mind (Mind)
Just make up your mind, mind, mind, mind, mind (Mind)
Just make up your mind, mind, mind, mind, mind
Just tell me how you feel, baby, keep it real
Make up your mind

Don't be indecisive, now is not the time (Not the time)
You cry when I tell you the truth, bae, I don't lie (No)
'Cause runnin' 'round in circles with you's not the vibe (No)
Can you just grow up? Tell me if it's love
'Cause I'm in love with bands
Is it me or what's in my pants? (Pants)
Do you think about me, bae, I need to know if you care (Care)
All-white bricks, feel like I bought every pair
Make your mind up, make it clear
If you my bitch, I don't share

Oh, oh-oh, oh-oh (With nobody)
You say you hate me, but you fuck me the same day (Oh-oh)
Oh, oh-oh, oh-oh (You say)
You say you hate me, but you love when I'm inside (Ooh)

Just make up your mind, mind, mind, mind, mind (Mind)
Just make up your mind, mind, mind, mind, mind (Mind)
Just make up your mind, mind, mind, mind, mind
Just tell me how you feel, baby, keep it real
Make up your mind

'Cause you know you obsessed
You still think I should change for you
Bitch, you sound like my ex
You can't say that I hated you, I treated you the best
You still say that I'm playin', let me get this off my chest
Oh, oh-oh, young and rich, I got it poppin' by myself
Baby, you a liability (Yeah)
Cost me once and I be out in a flash
I can show you my agility (Yeah)
Thinkin' you was 'bout to get to the bag
Oh, you think you gettin' rid of me? (Rid of me)
Oh, my bad, silly me (Silly me)
Was you really even into me?

Oh, oh-oh, oh-oh
You say you hate me, but you fuck me the same day (Oh-oh)
Oh, oh-oh, oh-oh (You say)
You say you hate me, but you love when I'm inside

Just make up your mind, mind, mind, mind, mind (Mind)
Just make up your mind, mind, mind, mind, mind (Mind)
Just make up your mind, mind, mind, mind, mind
Just tell me how you feel, baby, keep it real
Make up your mind
