

# Chris Brown, Mama

This one right here  
Goes out to my mama  
(This Goes out to mama)  
Your mama  
And everybody mama  
Here we go, listen listen  
I remember Saturday mornin's  
Me wakin' up to mama in the kitchen cookin' and spam cookin'  
I was just a young dude, watchin' mornin' cartoons, waitin' for mama to braid my hair  
I used to hate to get it done, cause she'd braid it too tight  
My mama always gave a style she knew I would like, and then  
I would go outside and play, she'd sit on the front porch  
While me and Rob played ball  
Mama always did little things like that  
Mama always will know I love her for that  
For all the things that you used to do  
Mama I dedicate this one to you  
It's straight from the heart  
This is your song  
You're my lucky charm so you already know  
That I'ma sing this one for you, so let me sing this one for you  
From every tour, every show  
You're my lucky charm, go wherever I go  
Mama I'ma sing this one to you, mama let me sing this one to you  
She's like the mother of Tappahannock, VA  
Everybody knew miss Joyce, where we stayed  
All heads said she was cool, nothing that she wouldn't do  
But about CB, she was known to act a fool  
With the little money that she made  
She took the bed and made it all okay  
Nights wit the dickies, when we had to stay there  
Always held it down, so I gotta thank you now  
Mama always did little things like that  
Mama always will know, I love her for that  
For all the things that you used to do  
Mama I dedicate this one to you  
It's straight from the heart  
This is your song  
You're my lucky charm so, you already know  
That I'ma sing this one for you, so let me sing this one for you  
From every tour, every show  
You're my lucky charm, go wherever I go  
Mama I'ma sing this one to you  
Just let me sing it  
Mama let me sing this one to you  
Mama I thank you for all you've done  
I thank God everyday I'm your son  
You gave me everything that I need  
But lovin' me unconditionally  
Everybody say, m-o-m-m-a  
Everybody say, mama, m-o-m-m-a  
You know that this is your song  
It's straight from the heart  
This is your song  
You're my lucky charm so you already know  
That I'ma sing this one for you, so let me sing this one for you  
From every tour, every show  
(Mama I love you so)  
You're my lucky charm, go wherever I go  
Mama I'ma sing this one to you  
Mama let me sing this one to you  
This right here goes out to every mama all over the world  
Mama I know I might be bad at times  
(Mama I'ma sing this one to you)

I might get on your nerves, but I still love you  
(Mama let me sing this one to you)  
You always gon be my mama  
Mama, mama, my mama  
Mama I'ma sing this one to you  
Mama let me sing this one to you  
Mama, I love ya  
Don't hear nothin' above ya  
(Save this one for you)  
I'll save this one for you
