

# Chris Brown, Never A Right Time To Say Goodbye

Baby come here and sit down, let's talk  
I got a lot to say so I guess I'll start by  
Saying that I love you,  
But you know, this thing ain't been  
No walk in the park for us  
I swear it'll only take a minute  
You'll understand when I finish, yeah  
And I don't wanna see you cry  
But I don't wanna be the one to tell you a lie so

How do you let it go? When you,  
You just don't know? What's on,  
The other side of the door  
When you're walking out, talk about it  
Everything I tried to remember to say  
Just went out my head  
So I'ma do the best I can to get you to understand

There's never a right time to say goodbye  
But I gotta make the first move  
'Cause if I don't you gonna start hating me  
Cause I really don't feel the way I once felt about you  
Girl it's not you, it's me  
I kinda gotta figure out what I need (oh)  
There's never a right time to say goodbye  
But we know that we gotta go  
Our separate ways  
And I know it's hard but I gotta do it,  
And it's killing me  
Cause there's never a right time  
Right time to say goodbye

Girl I know your heart is breaking  
And a thousand times I  
Found myself asking, "Why? Why?"  
Why am I taking so long to say this?  
But trust me, girl I never  
Meant to crush your world  
And I never  
Thought I would see the day we grew apart  
And I wanna know

How do you let it go? When you,  
You just don't know? What's on,  
The other side of the door  
When you're walking out not you it's me.  
I kinda gotta figure out what I need (oh)  
There's never a right time to say goodbye  
But we know that we gotta go  
Our separate ways  
And I know it's hard but I gotta do it,  
And it's killing me  
Cause there's never a right time  
Right time to say goodbye

There's never a right time to say goodbye  
But I gotta make the first move  
'Cause if I don't you gonna start hating me
