Chris Brown, Never A Right Time To Say Goodby

Baby come here and sit down, let's talk I got a lot to say so I guess I'll start by Saying that I love you, But you know, this thing ain't been No walk in the park for us I swear it'll only take a minute You'll understand when I finish, yeah And I don't wanna see you cry But I don't wanna be the one to tell you a lie so

How do you let it go? When you, You just don't know? What's on, The other side of the door When you're walking out, talk about it Everything I tried to remember to say Just went out my head So I'ma do the best I can to get you to understand

There's never a right time to say goodbye But I gotta make the first move 'Cause if I don't you gonna start hating me Cause I really don't feel the way I once felt about you Girl it's not you, it's me I kinda gotta figure out what I need (oh) There's never a right time to say goodbye But we know that we gotta go Our separate ways And I know it's hard but I gotta do it, And it's killing me Cause there's never a right time Right time to say goodbye

Girl I know your heart is breaking And a thousand times I Found myself asking, "Why? Why?" Why am I taking so long to say this? But trust me, girl I never Meant to crush your world And I never Thought I would see the day we grew apart And I wanna know

How do you let it go? When you, You just don't know? What's on, The other side of the door When you're walking ou not you it's me. I kinda gotta figure out what I need (oh) There's never a right time to say goodbye But we know that we gotta go Our separate ways And I know it's hard but I gotta do it, And it's killing me Cause there's never a right time Right time to say goodbye

There's never a right time to say goodbye But I gotta make the first move 'Cause if I don't you gonna start hating me Cause I really don't feel the way I once felt about you Girl it's not you it's me.
