

Chris Brown, Ready for love

Been thinking about
This all damn day
Ooh, wahh
And I can't wait
To see your face
Umm, ooh
My hands are dying
To touch you
Ooh, wahh
And I ain't got
The patience to wait
And I think it's time
That I lose control
Lose control
And In my mind
I'm
Sexual, Sexual
Chorus:
Girl, are you ready
Are you ready for love
Girl, are you ready
Are you ready for us
Girl are you ready
Are you ready for love
Girl, are you ready
To go in the dark
Ooh, na, na, naaa
It's okay to scream
And if you need to
Take a second to breathe
