

# Chris Brown, Ready for love

Been thinking about  
This all damn day  
Ooh, wahh  
And I can't wait  
To see your face  
Umm, ooh  
My hands are dying  
To touch you  
Ooh, wahh  
And I ain't got  
The patience to wait  
And I think it's time  
That I lose control  
Lose control  
And In my mind  
I'm  
Sexual, Sexual  
Chorus:  
Girl, are you ready  
Are you ready for love  
Girl, are you ready  
Are you ready for us  
Girl are you ready  
Are you ready for love  
Girl, are you ready  
To go in the dark  
Ooh, na, na, naaa  
It's okay to scream  
And if you need to  
Take a second to breathe
