

# Chris Brown, Save Me

## Verse 1

Devotion to that higher ground  
each day by day hes slowly fading  
its like we cant hear the sound  
so i gotta be innovated  
he sending all over the world now  
we need to start makin changes  
the light is covered up by the clouds  
and my lifes constantly raining  
when i think about the things  
youve done for me  
and how you made me see, truthfully  
i aint gon do you wrong no  
dont let no one of us go  
because i know

## Chorus

nobodys gonna save me(save me)  
gonna save me(save me)  
from the sins ive done  
nobodys gonna save me(save me)  
gonna save me(save me)  
cause its all my fault  
nobodys gonna save me(save me)  
gonna save me(save me)  
from the belief ive lost  
nobodys gonna save me(save me)  
gonna save me(save me)  
so im prayin to you God

## Verse 2

Its not safe to say its over now  
we're here now see  
Little bodies laying on the ground  
it coulda been your baby  
is someone gonna help us out  
they need some food to eat  
but there'll be brighter days  
when we'll be saved  
the Lord will send blessings  
but when i think about the  
things you've done for me  
and how you made me see, truthfully  
i aint gon do you wrong no  
dont let no one of us go  
because i know

## Chorus

nobodys gonna save me(save me)  
gonna save me(save me)  
from the sins ive done  
nobodys gonna save me(save me)  
gonna save me(save me)  
cause its all my fault  
nobodys gonna save me(save me)  
gonna save me(save me)  
from the belief ive lost  
nobodys gonna save me(save me)  
gonna save me(save me)  
so im prayin to you God
