

Chris Brown, Take You Down

Here we are, all alone in this room
And girl, I know where to start and what we're gonna do
I'll take my time, we'll be all night, girl
So get ready, babe, I got plans for me and you
It ain't my first time but
Baby girl, we can pretend
Hey, let's bump and grind
Girl, tonight will never end
Let me take you down
I really wanna take you down
And show you what I'm about
Can I take you now?
Your body, body, oh
Your body, body, up and down
So don't stop, girl, get it
Quit playin' with it
Can't wait no more
I wanna take you down
I really wanna take you down
Take you down, yeah
Pretty girl, let's take it off in this room
No time to waste, girl, you know what we came to do
We got all night to try to get it right, girl
Hope you're ready, hope you're ready, hope you're ready
I hope you're ready, babe,
