

# Chris Brown, Undecided

no I don't say it often  
and I probably shouldn't've told you I hurt this bad  
I know  
and I probably shouldn't want this so bad  
it's weighing  
weighing on me  
don't wanna wake up in the morning  
cannot undo what we did in this bad  
and I can't get yu out  
so I gotta go  
no, I am not ready for  
you want me all alone

but I'm undecided  
excited, ignited  
and I don't wanna feel the way I do  
but I like it  
look at all these sparks flying  
but u am still indecisive  
and she want me to wife ot  
but I am undecided

I know I shouldn't be doing this  
but here we go again  
girl, you know that pussy is my weakness  
, weakness, weakness, weakness  
girl, you got me addicted  
when you switching positions  
you tell me: shut up!  
and you know I listen  
I hate it!  
whis I never did it  
I can't keep sinning and pretending

I m taking off your cloths  
we getting sexual  
hit it so good  
think I'll propose  
I don't know but

but I'm undecided  
excited, ignited  
and I don't wanna feel the way I do  
but I like it  
look at all these sparks flying  
but u am still indecisive  
and she want me to wife ot  
but I am undecided
