

Chris Brown, Ya Man Aint Me

Hey girl, what's up?
You've been going through it, huh?
Yeah, I know
And I know your man ain't been treating you right
But your man ain't me, listen
Girl, I bet that he be actin' all cocky like
Like he deserve you and you so lucky to be with him
Bet he be treatin' you rude always got an attitude
Like he's the only dude made for you, woah
But I bet that he didn't count on, a little nigga like me comin' round
Giving you things to think about 'cause I know what's up
Since he ain't tryna step it up, don't you think you should give him up?
'Cause he ain't worth your love
Stop trippin'
I know you got a man but girl he's slippin'
I can see myself gettin' in what I fit in
I want you to see, just how much your man ain't me 'cause
He ain't fly, he don't even drive
'Cause when you wanna sneak out in the middle of the night
Baby I'm your guy
I'ma be since he ain't being all that he can be
Baby please your man, your man ain't me
Girl, I know that you be wishin' he was nothin' like
Like that playa type and you so lucky to be with him
Wish that he treated you cool and didn't cheat on you
Like your just another girl in his crew
But I bet that he didn't count on a look like me comin' round
Giving you things to think about 'cause I know what's up, yeah
Since he ain't tryna step it up, don't you think you should give him up?
