

# Chris Rea, Touch

Touche d'amour  
Yours is a sunny day  
Of this I'm sure  
Blowing my clouds away  
I just don't know what this could do to me  
I only want it to be  
Touche d'amour  
Touche d'amour  
Sailing around the room like never before  
Could never have come too soon  
I want this dance to last forever  
For it to last forever more  
Touche d'amour
