

# Chris Stapleton, The Fire

I watch your light  
In the dark of night  
Your shadow moves  
Across a lonely room

Woo, ooh, ooh, ooh, ooh  
I hear your name  
Through the wind and rain  
Woo, ooh, ooh, ooh, ooh  
Why can't you see  
The fire inside of me?

I fantasize  
That I'm your lover's eyes  
And in my mind  
Your body is next to mine

Woo, ooh, ooh, ooh, ooh  
I hear your name  
Through the wind and rain  
Woo, ooh, ooh, ooh, ooh  
Why can't you see  
The fire inside of me?

This fire, I feel  
Oh, this fire is real  
You're so close to me  
But always out of reach

Woo, ooh, ooh, ooh, ooh  
I hear your name  
Through the wind and rain  
Woo, ooh, ooh, ooh, ooh  
Why can't you see  
The fire inside of me?

Woo, ooh, ooh, ooh, ooh  
I hear your name  
Through the wind and rain  
Woo, ooh, ooh, ooh, ooh  
Why can't you see  
The fire inside of me?

The fire inside of me  
The fire inside of me  
The fire inside of me
