

# Chris Young, It Takes A Man

She locked her fingers and bowed her head  
She said, &quot;I'm late and I'm really scared&quot;;  
Now you can go but I hope you stay  
I'm gonna keep it either way  
In my daddy's El Camino  
In her driveway in the rain  
Starin' through that windshield  
I could see my future change  
And my heart hit like a hammer  
And my thoughts were runnin' wild  
Any fool can make a baby  
But it takes a man to raise a child  
I laid my head down on the wheel  
She said, &quot;I know, I know it don't seem real&quot;;  
She closed her eyes but the tears flowed through  
She said, &quot;Don't hate me for lovin' you&quot;;  
In my daddy's El Camino  
In her driveway in the rain  
Starin' through that windshield  
I could see my future change  
And my heart hit like a hammer  
And my thoughts were runnin' wild  
Any fool can make a baby  
But it takes a man to raise a child  
Oh, I could not reassure her  
I couldn't say what I had planed  
Couldn't put three words together  
So I just took her hand  
In my daddy's El Camino  
In her driveway in the rain  
Starin' through that windshield  
I could see my future change  
And my heart hit like a hammer  
And my thoughts were runnin' wild  
Any fool can make a baby  
But it takes a man to raise a child
