

Chrisette Michele, On My Own

Never came across anything you couldn't handle

No matter the problem you were always there

My superhero

Tho I love for it all

Im a women

Im a grown-up

And that means

You gotta let me fall and learn to get up

On my own

On my own

Cant let you in now

Gotta be alone

On my own

Gotta fight this battle

Alone

On my own

I know ur gonna care about me forever

How will I ever learn the price of my heart

If your always its protector

You cant make him love me right

Make him treat me

The way he should

I love you but this my fight

Let me fight it

On my own

On my own

Cant let you in now

Gotta be alone

On my own

Gotta fight this battle

Alone

On my own

On my own

Cant let you in now

Gotta be alone

On my own

Gotta fight this battle

Alone

On my own

On My own

On my own

On my own
