Christian Alexanda, Stay With Me

Hey girl, love is not a game for me Can't you see ? baby you're the one for me cause you don't know my heart Can't you feel? baby you're my destiny cause you don't know my love if I give you everything there's a place for me and you oh babe? we're more, we're more than two Oh darling, stay with me I promise all my heart to you oh darling, can't you see what a real love can do Oh baby, stay with me and maybe it's forever, girl just close your eyes for me I show you a better world I miss you so? baby give me one more try cause you are the love of my life can't let you go? baby I believe I'll fly cause our love will survive you are like a kiss from a rose there's a way for us to go and our love will grow Oh darling, stay with me I promise all my heart to you oh darling, can't you see what a real love can do Oh baby, stay with me and maybe it's forever, girl just close your eyes for me I show you a better world Baby, love is not a game for me oh can't you see, you're in my heart stay with me I promise all my heart to you oh darling, can't you see what a real love can do Oh baby, stay with me and maybe it's forever, girl just close your eyes for me I show you a better world Your in my heart stay with me I promise all my heart to you oh darling, can't you see what a real love can do Oh baby, stay with me and maybe it's forever, girl just close your eyes for me I show you a better world
