Christina Aguilera, Christina Aguilera - The Voice

Young girl don't cry

I'll be right here when your world starts to fall, ooh

Young girl it's alright

Your tears will dry, you'll soon be free to fly, ooh When you're safe inside your room you tend to dream

Of a place where nothings harder than it seems

No one ever wants or bothers to explain

Of the heartache life can bring and what it means

When there's no one else

Look inside yourself

Like your oldest friend

Just trust the voice within

Then you'll find the strength

That will guide your way

You'll learn to begin

To trust the voice within, ohh

Young girl don't hide

You'll never change if you just run away, ooh, ohh

Young girl just hold tight

Soon you're gonna see your brighter day, ohh

Now in a world where innocence is quickly claimed

It's so hard to stand your ground when you're so afraid

No one reaches out a hand for you to hold

When you're lost outside, look inside to your soul

When there's no one else

Look inside yourself

Like your oldest friend

Just trust the voice within

Then you'll find the strength

That will guide your way

If you'll learn to begin

To trust the voice within

Ohh yeah, ooh, yeah ohh

Life is a journey

It can take you anywhere you choose to go

As long as you're learning

You'll find all you'll ever need to know

(Be strong)

Break it

(Hold on)

You'll make it

(Be strong)

Just don't forsake it because

(No one can tell you what you can't do)

No one can stop you

You know that I'm talking to you

When there's no one else

Look inside yourself

And like your oldest friend

Just trust the voice within

Then you'll find the strength

That will guide your way

You'll learn to begin

To trust the voice within, oh yeah

Young girl don't cry

I'll be right here when your world starts to fall, ohh
