Christina Aguilera, Coca Cola Commercial

chorus
The stars will always shine, the birds will always sing
As long as there is thirst, there's always the real thing
Coca-cola is always the one
Whenever there is fun, there's always coca-cola
do do do do dood, do do do (coca-cola)
do do do do dood, always coca-cola (ooh, ooh, oooh)
do do do do dood, do do do (doo dood do do dood)
do do do do dood, always coca-cola (hey eh)
let the sun shine, let it shine.
always, always... coca-cola
oh always.
