

Christina Aguilera, Dirrty (Clean Version)

Clean (clean)
Squeaky (squeaky squeaky squeaky)
Nice, christina, you nice (yes mummy)
To clean to get anymore dirty
If you aren't clean
You can't come in my house! (woo)
Ladies (wash)
Gentleman (scrub)
Somebody run us a bath and throw in the rubber duck (X7)
(let me hear you sing)
Ooh, I'm overdue
Time for my shower
Turn it on
Paid for my sponge
I'm in the mood
Gonna scrub those armpits around the room
Soap's spinning (wash your hands)
Lets clean up (wipe off that jam)
I need that sponge to clean me off
Wash until that dirt comes off
It's so easy, all you do is scrub
Still in that bath by 6 in the evening
Yes, all you do is scrub
Say rub a dub dub
Gonna get my loofah
Get my toys
Gonna splash and make some noise
Gonna get brushing
Then we get a little more soapy
Gotta get clean in a hurry
Wanna get clean
It's about time that I came to run your bath
Tipped in the matey bubbles
Scrubbed myself with hot water
Wanna get clean
It's about time for my shower
