

# Christina Aguilera, Don't Make Me Love You

Don't make me love you till I'm ready  
Don't make me give you more than my kisses  
I need you to go slow and steady  
Don't make me love you till I'm ready

Ooh, oh yeah

Why you wanna rush into my life  
Don't you wanna stop and get to know me better  
We got all the time in the world tonight  
And if we're meant to be we'll be together, oh oh  
Stay around just slow it down  
Till we find out if we got what it takes

Don't make me love you till I'm ready  
Don't make me give you more than my kisses  
I need you to go slow and steady  
Don't make me love you till I'm ready

Everything I know about you so far  
Makes me believe that you're the one for me  
But there's still a lot that's on my mind  
And I need time before we go further  
Don't you see  
So hold me, fold me, but don't be  
Thinking I don't want you too

Don't make me love you till I'm ready  
Don't make me give you more than my kisses  
I need you to go slow and steady  
Don't make me love you till I'm ready

Don't make me love you till I'm ready  
Don't make me give you more than my kisses  
I need you to go slow and steady  
(Till I'm ready baby)  
Don't make me love you till I'm ready

It's better with a little bit of mystery  
Let's wait till we have a bit of history  
Behind ourselves, ooh ohh yeah  
We don't got to be in such a rush  
We can live for the moment if we trust  
We'll be right here tomorrow, oh yeah yeah

Don't make me love you, ooh, ohh ooh  
Don't make me give you, ooh ohh  
I need you to go, ooh yeah  
Don't make me love you, oh, oh, oh yeah yeah

Don't make me love you till I'm ready  
(Till I'm ready, ooh ohh)  
Don't make me give you more than my kisses  
I need you to go slow and steady  
(Slow and steady)  
Don't make me love you till I'm ready

Don't make me love you, don't make, ooh ohh  
Don't make me give you more than my kisses  
I need you to go slow and steady, baby  
Don't make me love you till I'm ready  
(Ready, yeah yeah)

Don't make me love you till I'm ready

Don't make me give you more than my kisses  
(More than my, love ohh oh)  
I need you to go slow and steady  
Don't make me love you till I'm ready  
Yeah yeah
