

Christina Aguilera, F.U.S.S(Interlude)

You know who you are
This is for you

Hmmm, yeah, ooh yeah, ohh

I thought I knew who you were
I see now you were a lesson to learn
And all I am to you now is a bridge that's been burned
Now I was the first to believe
I made you part of my musical dream
And your thanks to me, came without an apology, yeah

We wrote Loving Me 4 Me, don't Walk Away
Can't Hold Us Down, all part of our history

Don't forget Infatuation, I'm a Fighter
Feeling Underappreciated

Yeah, this song is for you to remind you{remind you}
That I moved on, sang my songs,
I've got no regrets{no regrets}

Mmhmm

Hope it all was worth it, uh
Looks like I didn't need you
Still got that album out
Haha
