

# Christina Aguilera, Hold Us Down (The Real One)

So-What am I not s'pposed to have an opinion  
Should I keep quiet just because I'm a woman  
Call me a bitch 'cause I speak what's on my mind  
Guess it's easier for you to swallow if I sat and smiled  
When a female fires back suddenly big talker don't know how to act  
So he does what every little boy would do  
Makin' up a few false rumors or two  
That for sure is not a man to me, slanderin' names for popularity  
It's sad you only get your fame through controversy  
But now it's time for me to come and give you more to say

Chorus:

This is for my girls all around the world  
Who've come across a man that don't respect your worth  
Thinkin' all woman should be seen not heard  
So what do we do girls, shout out loud  
Lettin' 'em know we're gonna stand our ground  
So lift your hands higher and wave 'em proud  
Take a deep breath and say it loud

Never can, never will

Can't hold us down

Nobody can hold us down

Nobody can hold us down

Nobody can hold us down

Never can never will

So- What am I not s'pposed to say what I'm saying  
Are you offended with the message I'm bringin'  
Call me whatever 'cause your words don't mean a thing  
Guess you ain't even a man enough to handle what I sing  
If you look back in history, it's a common double standard of society  
The guy gets all the glory the more he can score  
While the girl can do the same and yet you call her a whore  
I don't understand why it's OK

The guy can get away with it, the girl gets named  
All my ladies come together and make a change  
And start a new beginning for us, everybody sing

Chorus

Lil Kim:

Now, here is something I just cant understand  
If the guy have three girls then hes the man  
He can even give her some head or sex her off  
But if a girl can do the same then shes a whore  
But the tables about to turn, I bet my fame on it  
Cats take my ideas, they put they name on it  
Its aight though, you cant hold me down

I got to keep on movin

To my girls to their man who be tryin to mac

Do it right back to him and let that be that

You need to let him know that his game is WAC

And Lil Kim and Christina got your back

You're just a little boy

Think you're so cute, so coy

You must talk so big to make up for smaller things

You're just a little boy

All you do is annoy

You must talk so big to make up for smaller things

Chorus x2

Uh, oh oh

uh,uh, uh, uh, uh, uh, uh, cant hold us down
