

# Christina Aguilera, I Am Not Alone

You are here in my heart,  
you're the light that guides me through the dark.  
You walk beside me,  
the night seems cold each time I fall,  
Your arms are there to hold.  
You walk beside me, giving strength I've never known.  
And I am not alone  
You walk beside me.  
(I am not alone)  
You are here in my mind,  
I talk to you and all my fears unwind.  
I know I'm loved, for who I am,  
You make me want to be the best that I can.  
And you walk beside me, giving strength I've never known.  
I am not alone,  
You walk beside me.  
I am not alone  
wherever the road leads.  
And I rely on your patience,  
when I face the unknown.  
And because of you, I am...  
I am not alone...  
I am not alone...oooh  
You're always beside me, yeah, I am not alone.  
In the sun, In the rain  
through the good times and  
in the pain.  
You're always beside me,  
I reach out for your hand,  
I know that you understand.
