

# Christina Aguilera, Just Be Free

Ohh, yeah yeah yeah  
On your feet, on your feet, ohh  
Move it to the beat, yeah  
Oh yeah  
Move it to the rhythm

Dance floor's open, feeling free  
Music's pumping to get on your feet  
Take a chance and feel the beat  
Get on up babe, you gotta dance with me

Just be free  
Never stop moving, no way  
On your feet  
Move it to the rhythm  
Just be free  
Never stop moving, no way  
On your feet  
Move it to the rhythm

Don't you see, you just can't fight  
We'll be dancing till the morning light  
Just keep going, don't let it slip away  
There's no stopping till the break of day

On your feet, on your feet, ohh yeah  
Move it to the rhythm (oh yeah)

Dance floor's open, feeling free  
Music's pumping to get on your feet  
Take a chance and feel the beat  
Get on up babe you gotta dance with me

Just be free  
Never stop moving, no way  
On your feet  
Move it to the rhythm  
Just be free  
Never stop moving, no way  
On your feet  
Move it to the rhythm

Don't you see, you just can't fight  
We'll be dancing till the morning light  
Just keep going, don't let it slip away  
There's no stopping till the break of day
