

# Christina Grimmie, Just A Dream & Sam Tsui

I was thinkin about you, thinkin about me.  
Thinkin about us, what we gonna be?  
Open my eyes, yeah; it was only just a dream.  
So I travel back, down that road.  
Will you come back? No one knows.  
I realize, yeah, it was only just a dream.

I was at the top and I was like I'm at the basement.  
Number one spot and now you found your own replacement.  
I swear now that I can't take it, knowing somebody's got my baby.  
And now you ain't around, baby I can't think.  
Shoulda put it down. Shoulda got that ring.  
Cuz I can still feel it in the air.  
See you pretty face run my fingers through your hair.

My lover, my life. My baby, my wife.  
You left me, I'm tied.  
Cuz I knew that it just ain't right.

I was thinkin about you, thinkin about me.  
Thinkin about us, what we gonna be?  
Open my eyes, it was only just a dream.  
So I travel back, down that road.  
Will you come back? No one knows.  
I realize, it was only just a dream.

When I'm drivin I swear I see your face at every turn  
I'm trying to get my usher on, but I can let it burn.  
And I just hope you'll know you're the only one I yearn for.  
No ownder I'll be missing when i'll learn  
Didn't give her all my love, I guess now I got my payback.  
Now I'm in the club thinkin all about you, baby.

Hey, you was so easy to love. But wait, I guess that love wasn't enough.

I'm goin through it every time that I'm alone.  
And now i'm missin, wishin she'd pick up the phone.  
But she made a decision that she wanted to move one.  
Cuz I was wrong.

And I was thinkin about you, thinkin about me.  
Thinkin about us, what we gonna be?  
Open my eyes, yeah; it was only just a dream.  
So I travel back, down that road.  
Will you come back? No one knows.  
I realize it was only just a dream.

If you ever loved somebody put your hands up.  
If you ever loved somebody put your hands up.  
And now they're gone and you wish you could give them everything.  
I said, if you ever loved somebody put your hands up.  
If you ever loved somebody put your hands up.  
And now they're gone and you wish you could give them everything.

I was thinkin about you, thinkin about me.  
Thinkin about us, what we gonna be?  
Open my eyes, yeah; it was only just a dream.  
So I travel back, down that road.  
Will you come back? No one knows.  
I realize it was only just a dream. x2
