## Christina Grimmie, Over Overthinking You

Just when I think everything's alright, that's when I over analyze. I'm Still running away from you and I don't know why (Don't know why). I start To think I am right for you, but deep inside I know the truth. It's like my Heart already beats for you and I don't know why (Don't know why).

What should I do, what should I say? Why's this bothering me? Should I Leave or should I stay, it's on repeat. Moving on, I won't let it get the Best of me.

I'm over, over, over overthinking you-you-you. Over, over, over overthinking you-you-you. You-you-you-you-you. Over Overthinking you-you-you. I'm over, over overthinking you.

Trying to find something wrong with you but I'm running out of reasons to. You give me feelings I never knew and I don't know why (Don't know why).

What should I do, what should I say? Why's this bothering me? Should I Leave or should I stay, it's on repeat. Moving on, I won't let it get the Best of me.

I'm over, over overthinking you-you-you. Over, over, over overthinking you-you-you. You-you-you-you-you. Over Overthinking you-you-you. I'm over, over overthinking you.

I don't wanna be afraid to let things fall into place. Never been more Certain that it's right, cause I'm...

Over, over, overthinking you-you. Over, over, over overthinking You-you.

You-you-you-you-you. Over overthinking you-you-you. I'm over, over, Over overthinking, over overthinking you.

Over-over-over overthinking You-you-you
Over-over-over overthinking You-you-you
You-oo-oo You-oo-oo
