Jennifer Lopez Guest Artists: none Album j.lo Track-

Intro:

Uh

Verse1:

I could wait all night and day  
To go to a party, sit down and wait  
Give my request to the DJ  
'cause my song he's gotta play (please play my song)  
And when I hear that beat  
I get my body up out my seat  
I grab a guy and move my feet  
He's playin' my song

Chorus:

Play  
Come on play that song  
Play it all night long  
Just turn it up and turn me on  
Play  
Come on DJ play that song  
Ya know that it turns me on  
DJ just play that song  
Just turn it up and turn me on

DJ just play that song  
'cause I wanna be dancin' all night long  
Well say my, play my, play my, play my  
Play my favorite song

Verse2:

I don't care if everybody's gone  
Turn it up 'cause it turns me on  
Keep dancin' all night long  
Feels so right that it can't be wrong  
I get chills up and down my spine  
Whenever I hear that song of mine  
When it stops betta press rewind (play that shit again!)  
Let me hear it one more time

Chorus2x:

Play  
Come on play that song (uh)  
Play it all night long  
Just turn it up and turn me on  
Play  
Come on DJ play that song  
Ya know that it turns me on  
DJ just play that song  
'cause I wanna be dancin' all night long (play another song)  
Play  
Come on play that song  
Play it all night long  
Just turn it up and turn me on (play it one more time, for me)
