verse1
life is what you make it
aleast thats what they say
well i think im gonna make it fufil my dreams one day
ifeel this fire growing deep inside of me
im so inspired knowing that it's my destiney

## bridge

i breathe like a champion i dream like a champion i see im a champion its meant to be my wills getting stronger i cant wait any longer im singing a song thats inside of me

## chorus

cause im a believer i know that i can make no matter what they say cause im a believer the future is now it starts today

## verse 2

(i keep my head on)
everday im waiting trying to find the patience
so close i can tatse it
but sometimes its so hard
but im gonna keep on pushing and im gonna keep on biting and im gonna keep on trying cause ive
