

Christina Perri, Be my forever (feat. Ed Sheeran)

Christina Perri:

We're on top of the world,
we're on top of the world
now darling, so don't let go.

Christina Perri & Ed Sheeran:

Can I call you mine?
So can I call you mine
now darling for a whole lifetime?
My heart finally trusts my mind.

Christina Perri:

And I know somehow it's right.

Christina Perri & Ed Sheeran:

And oh we got time, yeah.
So darling just say you'll stay
right by my side.
Oh we got love, yeah.
So darling just swear you'll stand
right by my side.

We're on top of the world,
we're on top of the world
now darling, so don't let go mmm.
I got something to say:
you're perfect in every way.
I'm gonna shout it out,
I wanna tell you now,
'cause I know somehow it's right.

And oh we got time, yeah.
So darling just say you'll stay
right by my side.
Oh we got love, yeah.
So darling just swear you'll stand
right by my side.

Be my forever, be my forever, be my forever.
Be my forever, be my forever, be my forever.

Ed Sheeran:

You're my bright blue sky,

Christina Perri:

you're the sun in my eyes.

Christina Perri & Ed Sheeran:

Oh baby you're my life,
you're the reason why
we're on top of the world,
we're on top of the world
now darling, so don't let go.
(one, two, three, four)

And oh we got time, yeah.
So darling just say you'll stay
right by my side.
Oh we got love, yeah.
So darling just swear you'll stand
right by my side.

Be my forever, be my forever, be my forever.
Be my forever, be my forever, be my forever.

Christina Perri:

Will you love me forever?

Ed Sheeran:

I'll love you forever

Christina Perri & Ed Sheeran:

Be my forever, be my forever, be my forever, be my forever.
