

Christina Perri, The Words

all of the lights land on you
the rest of the world fades from view
and all of the love i see
please please say you feel it too

and all of the noise i hear inside
restless and loud unspoken and wild
and all that you need to say to make it all go away
is that you feel the same way too

and i know the scariest part is letting go
cause love is a ghost you cant control
i promise you the truth cant hurt us now
so let the words slip out of your mouth

and all of the steps that led me to you
and all of the hell i had to walk through
but i wouldnt trade a day for the chance to say
my love im in love with you

and i know the scariest part is letting go
cause love is a ghost you cant control
i promise you the truth cant hurt us now
so let the words slip out of your mouth

i know that were both afraid
we both made the same mistakes
an open heart is an open wound to you
and in the wind of a heavy choice
love has a quiet voice
still your mind now im yours to choose

and i know the scariest part is letting go
let my love be the light that guides you home

and i know the scariest part is letting go
cause love is a ghost you cant control
i promise you the truth cant hurt us now
so let the words slip out of your mouth
