Chuck Berry, The Things That I Used To Do

Things that I used to do, Some I won't do no more Things that I used to do Some I won't do no more

Used to sit and hold your hand, baby Begging?you, not today

Used to search all night for you baby And I search always anything Used to search all night for you baby And I search always anything Yeah, and I'm new alone again, darlin' You was out somewhere with your other man

I'm gonna send you back to your mother, baby Or I'm gonna back to my family too I'm gonna send you back to your mother, baby Or I'm gonna back to my family too

Nothing I ever do pleases you, darlin' Or I just can't get along with you.
