I feel it, its in me tonight
I see this tonight, Im pulling up
I see him, hes walking out
He gives me the eye, and hes a thug
Whats the deal, Im 21
I'm legal hey, now I'm free to run
Thats the one I meet this morning
Pulling me to the floor wanna get to know me

[Pre-Chorus]

Im ready to have fun-lets bang the thing up
But you gotta be prepared to get your weight up
See Im at the train since I came up
In the ATL is where it came from

[Chorus]

Bang it up boy gon bang it up
Im full grown you can go tear it up (bang it up)
Bang it up boy gon bang it up
Last one I had on the floor couldnt do enough (bang it up)
Bang it up boy gon bang it up (bang it up)
Bang it up boy gon bang it up (bang it up)
Dont talk about it boy be about it
If you got it we can see about it shorty whats up

Wait a minute, no he didnt
Yall the DJ tried to slow it up
Oh my bad, he didnt
All he did was (erra) switched it up

See that, now you see that
Cause this burn up will start acting up
Yall might let me start showing my signs
Aint nobody here seen my fun

[Pre-Chorus]

Im ready to have fun-lets bang the thing up
But you gotta be prepared to get your weight up
See Im at the train since I came up
In the ATL is where it came from
