

# Ciara, Explode

Tonight I'm gone do something different  
To have your undivided attention is my mission  
Listen, we gone get it poppin like we suppose to do  
The productions jumpin off  
I put it on for you  
6 inch heels on (check)  
Lipstick (check)  
Rain coat (check)  
Don't worry cause I got it  
Welcome to my door don't have to pay cause you  
Got the hottest ticket when Super C be servin you  
And I only do it cause I love ya  
You always been here for me so I'll do anything for ya  
I'm gonna love ya to no limit  
Your so sexy come over here daddy baby you can get it  
Ohh, ohh  
See just when you think it's over I'm giving you  
More, more  
Don't be afraid to scream my name  
I'm coming  
Ciara to the stage  
Ciara to the stage  
Ciara to the stage  
Ciara to the stage (I'm Coming)  
Ciara to the stage  
Ciara to the stage  
Ciara to the stage  
Turn down the lights to see the Pyro  
Some exclusive performance stage boy you bout to see the main show  
I'm not gone talk about it  
I'm a be about it  
Know when it goes down I'm gonna break that thing on down  
I'll give my all  
Because I love ya  
Your always been here for me so I'll do anything for ya  
I'm gonna love ya to no limit  
Your so sexy come over here daddy baby you can get it  
Ohh, ohh  
See just when you think it's over I'm giving you  
More, more  
Don't be afraid to scream my name  
I'm coming  
Ciara to the stage  
Ciara to the stage  
Ciara to the stage  
Ciara to the stage (I'm Coming)  
Ciara to the stage  
Ciara to the stage  
Ciara to the stage  
Watch me break it down  
[Rap:]  
The show don't stop we can go all nite  
30 minutes in and it feels so right  
First we started off with the hot red lights  
Then we dim it down to the purple lights  
Flip it, rub it, lick it, love it  
Like it when I break it down  
Greatest show on earth  
Hottest ticket in town  
You like it when I turn around and put that arch in my back  
I got some moves put em on you baby you gone like that  
Put it in we can dance all nite  
Any request? Tell me what you like  
I'll sing it, love it, flip it, rub it

Like it when I break it down  
Ohh, ohh  
See just when you think it's over I'm giving you  
More, more  
Don't be afraid to scream my name  
I'm coming  
Ciara to the stage  
Ciara to the stage  
Ciara to the stage  
Ciara to the stage (I'm Coming)
