## Ciara, I'm On

I dont need you boo...
I dont need nobody else
I can do damage by myself

Walk in the room Everybody like damn

She can do damage by herself

I dont need nobody else

I can do damage by myself

Walk in the room

Everybody like damn

She can do damage by herself

Ms. Everybody wants it

But cant nobody touch it

Ms. I dont rain, Im hailing

Go get the umbrellas

Ms. Silence in the room

Click, click, click my Jimmy Choos,

Listen around for tension then...

And everybodys chick is wishin

They had that

Eye action

Always attackin

Swaggers go so automatic

Starts to get like an addict, addict

You say its incredible,

Maybe its unbelievable,

Damn near inconceivable,

But I say, (I say)

I say, (I say)

Turn off the lights

I got my right hand in position

So I can get that when Im with ya

Come on, on

Come on, on

Im on, on

Im turned on

Come on, on

Come on, on

Im on, on

Im turned on

I dont need nobody else

I can do damage by myself,

Walk in the room

Everybody like damn,

She can do damage by herself

Ms. Call the paramedics (uh)

Cause chicks is lookin sick (uh)

Ms. I dont need your paper

My net worth never wait for us

Ms. On your mark, set, go

Yea Im running this show

Ms. Back at it once again

Lights, Camera, Action (action)

Eye action

Always attackin

Swaggers go so automatic

Starts to get like an addict, addict

You say its incredible,

Maybe its unbelievable,

Damn near inconceivable,

But I say, (I say)

I say, (I say)

Turn off the lights

I got my right hand in position

So I can get that when Im with ya Come on, on Come on, on Im on, on Im turned on Turn off the lights I got my right hand in position So I can get that when Im with ya Come on, on Come on, on Im on, on Im turned on (Uhhlm turned on) Im on overload From dusk to dawn, Ready to explode (Cause baby Im on, Im on) Im on like the light (lights) Im on like a fight (fight) Im on cause its right, Cause its right, cause its right Im on Turn off the lights I got my right hand in position So I can get that when Im with ya Come on, on Come on, on Im on, on Im turned on I dont need nobody else I can do damage by myself, Walk in the room Everybody like damn, She can do damage by herself I dont need nobody else I can do damage by myself, Walk in the room Everybody like damn, She can do damage by herself By herself
