

Ciara, Lover's Thing

(feat. The-Dream)

[The-Dream:]

Ay a ay ooh a

Ay ooh yeah

Oh yeah

Ciara

[Ciara:]

That's me...

[The-Dream:]

The dreamer

[Ciara:]

The-Dream...

[The-Dream:]

Ohh yeah, ohh

Baby...

[Ciara:]

Wanna say come over, but I told you that it's over

How much pain can my heart take? Ohh yeah

[The-Dream:]

And well, I wish that you were closer

So I can love over, over again...

Today I may have lost my friend

(Girl...)

[Ciara and The-Dream:]

You, you are my baby

I can't just let you leave

I'm caught up in this lover's thing

[Ciara:]

It's love, and that I can't deny

Won't even start to lie

I'm caught up in this lover's thing

Baby you...

Baby (ay) baby (ay)

Baby (ay) baby

Baby (ay) baby (ay)

Baby (ay) baby

Baby (ay) baby (ay)

Baby (ay) baby

Baby (ay) baby

[The-Dream:]

Girl, take back your decision

And paint me back in your picture

I'm calling on your phone girl

You keep sending me straight to voicemail

[Ciara:]

Now why ain't he persistent

I'm sure by now he misses this

Calling on the phone, you won't answer my call

And you, you are my baby

I can't just let you leave

I'm caught up in this lover's thing

[The-Dream:]

Yeah, it's love, and that I can't deny

Won't even start to lie

[Ciara and The-Dream:]

I'm caught up in this lover's thing

[The-Dream:]

Baby baby
